

and my love  
for these  
animals  
started

it all  
started back  
when I had a  
sleepover at my  
friends house...  
who had a

has followed  
me through  
EVERY era  
in my life

How

\*excluding Resetti  
who still scares  
me to this day ☹️

this mole is most  
definitely responsible  
for my anxiety today ☹️

a couple years  
later my other  
friend introduced  
me to the DS  
version (on the bus)  
- my cute animal  
pals... on the go??!

the Wii version  
was okay  
(we don't talk  
about the board  
game wii game...)  
but  
will  
always be  
special to  
me

Now I play  
on switch  
&  
on my  
Ipad  
at the ripe  
age of 28 ☹️
